Pearls of words, born from the heart of a true poet, pass through centuries in their beautiful and magical form and continue into the future. It will enrich the people's thoughts and open the palace of the soul, no matter what age or era it is read. The works born from the pen of poets, whose poetic talent shined through their voices, enriching the poetry of the Kazakh soil, are an inexhaustible treasure for the people. It is a great art to be able to perceive each stanza and each line of it mentally and with feelings in order to understand the secret of the poems that have changed like a diamond. Yes, only then we can enter the mysterious world of the poet. Only then will we be able to understand the whole world, beautiful on the outside, rich on the inside, and a beautiful poem that cannot be divided into beginning, middle, and end.

Whatever the poet says, he says it figuratively. For him, the mountain, water and wind of the field are wonderful. In the poems of the poet, man and nature are intertwined. In his poems, he especially sang about his love for the nature of his native land.

*Таранғандай құстың сұлу тауысы,
Гүл тербеліп жайнап кеткен тау іші.
Жүрегінді үзіп түсер орнынан,
Нәзік мөлдір Раушанның дауысы.
Ақ бөкеңдей ойнақ салған боздағы,
Сахна көрсе лаулап оттай маздады.
Жаулап алған жүректердің қақ төрін,
Ол Раушан туған елдің маздағы.*

The poem full of great inspiration and joy has a wonderful picture, together with the beauty of nature, a great sacred feeling that breaks your soul and burns your core, a real warm feeling of love for the motherland and native land.

A poet who paid special attention to art «Шоманайдың гөззалы» it is said that if the song is performed, the hearts of the singers will be ignited and they will imitate the beauty of Shomanai. Admiring the beauty of Shomanai and Shomanai's beauty, he sings with inspiration.

*Ынтық болып кімдер қолын созбады,
Қолы жеткен жүйріктердің озғаны.
Нәзік үн мен көк аспанды шарықта,
Жұлдыз болып Шоманайдың гөззалы.*

Lust for life, love for the surrounding people, the nature of the native land, love for the mother earth are one of the main features of the poet's works.

*I love the field of Shomanai,
Between neighboring countries.
Bordered by Kazakhstan and Turkmenistan,
I found it in the middle*

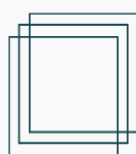

*Мен сүйемін Шоманайдың даласын,
Қосып тұрған елмен елдің арасын.
Қазақстан, Түркменстан шектесіп,*

Ортасында тауып тұрған жарасым. - and sings that ancient history gives rise to modern children:

*Көне тарих тудырмайды таласын,
Тәрбиелер жаңа заман баласын,* - He sang with poetic inspiration that the soil, mountains and stones of the holy land, which is close to his heart and gives him incomparable feelings, are hot, that the bird's wings are spread before reaching the top of Askar mountain, and that even the moon is eager to bathe in its clear lake. he makes a village rely on his song.

*Шоманайым менің үшін дарасың,
Өзіңнен көп жан азықты аласым.
Туған өлкем Шоманайым мәңгілік,
Жүрегімде жұлдыз болып жанасың.*

In conclusion, Bazarbai Imanov is a strong poet who has his own readers, who has earned a place in his community due to the sharpness of his poems. That is, the lines of poems inspired by his pen sang about goodness, love, love for the native land, honesty and humanity. That is why the poet's collections are widely distributed today and are valuable in the countries of Karakalpakstan, Uzbekistan and Kazakhstan. Taking into account this feature, we decided to open the beginning of the poet's poems and analyze his lines from a linguistic and philosophical point of view. Of course, in the future, this will open many opportunities to write several scientific works and to expand the circle of students of the poet's work.
